Subject: “One Year In” question submissions

Dear Ambassador Hillman, Ambassador Hoekstra, and Ms. Burke,

I am writing on behalf of the group, *Mending Canadian US Relations* which began in March 2025 and currently has over 5,300 active members from across Canada and the United States. Our community is dedicated to fostering open discussion, understanding, and engagement on topics of mutual interest between our two nations. We strictly enforce that all content in this group pertains to this topic.

We wish to inform you that our group is in the process of compiling a list of **five** thoughtful and representative questions, solicited directly from our members, that we intend to forward to your offices in just a few days. These questions will reflect the collective curiosity, concerns, and aspirations of our community with respect to Canada–U.S. relations and shared priorities. We will also provide the full list of questions we receive, and you are welcome to answer any of them *in addition to* the five we request.

We will post our call for questions to members starting October 24, 2025 and aim to send you the final five by October 27, 2025, with the hope to **receive your answers by November 4, 2025**. On November 5, 2025, one year from the U.S. election, we will post your responses without any amendments, and we will each remain neutral in this group throughout this process. We are grateful for your time and attention and look forward to the opportunity to share the questions with you in a few days. Please do not hesitate to contact us at canadausrelations@outlook.com if you would like additional information.

Respectfully,

Bryn Kai-Hendricks, Administrator – Toronto, ON
Debbie Pendley, Administrator – Vancouver, WA
